Alaska Service Exports Support **15,364** Jobs

State Services Exports by Sector (in millions USD)

2015 Total: **\$2 billion dollars**

Changing the Way We See Services

Services include a wide array of sectors which support individuals, communities, and businesses on a daily basis. Banking, insurance, telecommunications, information technology, express delivery and logistics, audiovisual, and retail are all examples of services that the U.S. provides to global markets, creating well paying jobs at home.

The bar graph provides a glimpse of which services sectors are important to Alaska's economy.
